

HOW TO PLAY

BRAGGING *'an excessive pride in ones achievements or possessions'*

Brag for 3 minutes about how poor you were, how you strong you are or why you ooze sex appeal,* then face a short Q & A from the audience.

Be yourself or create an ALTER EGO, so, give free rein to your imagination and be as extreme and ridiculous as you like! Don't worry about being funny, the aim of the challenge is to appear truthful, however, being ridiculous and deadly serious is funny and so any laughter will be a by product and a bonus.

During the Q & A - all contestants have to abide by the rule of ACCEPT & BUILD. For example, if you've been bragging about working as a part time Super Hero and someone asks "I hear you were beaten up by a gang of children," you can't say "No, I wasn't." To create your TALL TALE - follow this simple guide.

1

CREATING A TALL TALE

'BE LARGER THAN LIFE!'

Make your tale extraordinary by wildly exaggerating the 'FACTS'

Add an EMOTIONAL DRIVE such as...

PRIDE
or
FEAR

Begin my making an outlandish CLAIM

'Every evening, I patrol the streets...'

2

BLUFFING

'To create the illusion of being credible, trustworthy and believable.'

- 1. ACTING** - adopt an air of authority, all bluffers have this skill at their command
- 2. VOCAL DELIVERY** - a slow measured tone (or a carefree chatty tone) will sound like you know what you're talking about
- 3. PREPARE** - when creating your tale, consider all the questions the audience may ask
